

INVITED SESSION SUMMARY

Title of Session: (Tentative)

Students with Disabilities and Smart/Education/University

Name, Title and Affiliation of Chair:

Dr. Jeffrey P. Bakken, Bradley University

Details of Session (including aim and scope):

This session will hopefully include six presentations from leaders in the field of special education with an emphasis on technology education, specifically Smart Education within Smart Universities. Presentations will highlight how technology and Smart Classrooms/Universities can impact the learning of students with various types of disabilities and suggestions for future ways to incorporate students with disabilities into the learning environment with the use of technology will be highlighted. In addition, how technology can help students with disabilities access the curriculum and feel more a part of the classroom environment will be highlighted.
